Product Description

OBI Biodegradable Heavy Duty Wipes are a quick, convenient and highly effective cleaning wipe to clean hands, tools and surfaces.

OBI Biodegradable Heavy Duty Wipes contains a powerful, non-toxic, and biodegradable dibasic ester mixture which is a well known solvent capable of removing stubborn soils, specifically paints and inks. The formulation also contains a non-ionic surfactant which works in synergy with the dibasic ester mixture to help remove greasy soils such as oils, grime, and grease, they also contain Limonene, well known for it's high-level cleaning ability.

Surface Preparation and Finishing

It is recommended to test a small area first and do not use on porous surfaces such as untreated wood, delicate surfaces and fabrics.

Directions of use

Remove lid and inner foil seal. Locate wipe at centre of the roll. thread through the aperture and replace lid. To dispense simply pull the wipe at a 45° angle.

Storage

Store product in its original packagaing at room temperature away from direct sunlight. Close lid for freshness and to keep wipes moist.

Shelf Life

6 months from date of opening. 2 years shelf life unopened.
